Meet the Xbox Ambassadors Community Managers

Community Taxel May 30, 2018

We're thrilled to introduce you to the staff Community Managers for the Xbox Ambassadors community — Taxel and ChaoticLu!

The Community Managers are staff members who are here to make this community the best it can be. To connect with a Community Manager, visit the Xbox Ambassadors Discord or find them on Twitter.

Read on to learn more about each of them:

Hi everyone, I'm Taxel.

I've really enjoyed being a part of this community and the Xbox Ambassador Program for the past few years. Some personal notes about myself—I've been playing Xbox since the console launched back in 2001 and particularly enjoy sports simulators, FPS games, RPG's, and trying new games on Xbox

Game Pass. I especially enjoy games that allow me to escape from reality and immerse myself in a sci-fi or fantasy world. If it’s related to Star Wars, I’m probably a fan. When I’m not on Xbox, I’m spending time with friends outside (camping, hiking, etc.), reading and enjoying board and tabletop games.

Hi everyone, I’m Lu!

I’m Lunna aka ChaoticLu, the newest Community Manager, and I am so excited to be a part of this Program and look forward getting to know each one of you. I am a huge fan of horror movies, FPS and the Sims saga, so feel free if you want to ping me and chat about anything at all.

Outside of the gaming world, I enjoy photography and traveling every now and then there’s opportunity, and prior to joining the Xbox Ambassadors Team, I’ve always been around working inside of the gaming industry, from ExitLag up to the Just Dance team from Ubisoft located in México City.

If you have any doubts or have any interesting ideas for the XA Program, feel free to ping me on Discord. I’m excited to learn from you and help you make this community grow!
